02 DIVING - RULES & FORMAT

The Madrid International Diving Meet 2026 will be conducted under AQUA diving rules.

FORMAT

Individual events will be run according to Preliminary, Semifinal (18 divers) and Final format (12 divers). The Synchronized diving event will be run as direct finals.

There is no limit on how many divers a National Federation can register but only the top 2 qualifiers of each country will progress to the semifinal. In the synchronized events only 1 team per country will be considered for the podium.

RULE REMINDERS

DIVE LIST SUBMISSION

The statement of dives shall be submitted no later than 24 hours before the commencement of the preliminary phase of each event.

A secretariat office and dive sheet box will be available on the pool deck near the competition office.

In all events, the diver or the diver's representative may change the statement of dives before the commencement of the final, provided that the amended statement is lodged with the Referee, or their designated representative, no later than thirty (30) minutes after the end of the previous phase of the competition. If a new statement of dives is not submitted within the prescribed time, the diver shall perform the dives as indicated in the previous submission.

As the World Aquatics Rules, all diving sheets are to be submitted no later than 24 hours before the commencement of the preliminary competition in each event. The diving sheets will be handled through the Diverecorder program; you may have access through the web page (http://www.diverecorder.co.uk/onlinesheets/index.php) and download the program for filling the diving sheets.
