PRESIDENT'S MESSAGE

WORLD AQUATICS

Dear friends,

It gives me great pleasure to welcome you to the seventh edition of the World Aquatics Junior Diving Championships, taking place from 21 to 28 August 2026 in the beautiful city of Rijeka, Croatia.

This biennial competition has grown into one of the most anticipated events in the diving calendar, and it is fitting that Rijeka – a city with a proud aquatics heritage and a proven record of hosting outstanding competitions – welcomes the world's top young divers. Having successfully staged the 2023 European Aquatics Junior Diving Championships, Rijeka and the organisers know exactly what it takes to deliver a world-class event.

The stunning outdoor Kantrida Pool, set beside the Adriatic Sea, provides a truly spectacular backdrop for competition. Athletes in both the 14–15 and 16–18 age categories will have the opportunity to perform in one of the most majestic venues in the world for aquatic sports, and we hope that setting inspires performances to match.

These Championships give the world's top young divers the experience of high-level competition and have helped to shape the careers of athletes who have participated at previous editions. We are looking forward to inspiring a new generation of young people from around the world to discover and embrace the joy of diving through this event.

On behalf of World Aquatics, I would like to extend my sincere gratitude to the Local Organising Committee, the local authorities, the officials, and the many dedicated volunteers who have worked tirelessly to make this event a reality.

To all the athletes, I wish you every success and hope you enjoy every moment of your time in Rijeka.

Husain Al Musallam

World Aquatics President
